### **Western New York Library Resources Council: Standing Committee Guidelines**

The basis for the establishment of WNYLRC committees is found in the WNYLRC Board of Trustees Bylaws, Article V Committees, Section 1 states:

“The Executive Committee shall charge all standing committees and appoint members as required, except appointments to the Nominating Committee, which shall be confirmed by the Board of Trustees. The duties of each standing committee shall be such as are associated with its name or assigned to it by the Board of Trustees. The Executive Committee is also responsible for establishing and revising committee guidelines to ensure a fair and representative roster is appointed for each committee. Please see the WNYLRC Committee Guidelines for more information on appointing WNYLRC members to these committees.”

The role of any standing committee is to support the Strategic Plan of Service or as sometimes referred to The Member Plan. The work initiated by the committee supports the goals and objectives as outlined in the current Strategic Plan of Service and must also adhere to the five operating principles of the organization as outlined above.

To fulfill the goals of the plan, the WNYLRC Board of Trustees assigns the charge to each standing member committee and may assign a charge to any other ad hoc or discussion group it deems necessary. Advisory groups may also be developed as short-term work groups that have a specific task at hand. Advisory groups to WNYLRC may choose to adopt these guidelines either in part or in full.

Excepting the WNYLRC Board of Trustees Executive Committee, the relationship of standing committees to the WNYLRC Board of Trustees is advisory in nature.

## **Article I Representation**

**Section 1** In appointing members to committees, the WNYLRC Board of Trustees Executive Committee will give consideration to appropriate qualifications provided by the nominee on the application form in relation to the committee's charge. Criteria for consideration include, but are not limited to, experience and awareness of library service in the areas relevant to the committee; membership and participation in such professional groups as ALA, NYLA, SLA, MLA, etc.; and the constituency represented by the appointee.

A committee member must be employed by a member institution or be a dues-paying individual member under the patron category. The category of representation may be changed anytime during the Committee member's term by a vote of the committee initiated by the Committee Chair, WNYLRC Executive director, and/or by the WNYLRC Board of Trustees Executive Committee.

If the committee member is separated from his/her current employer anytime during the committee year, the Committee Chair(s) can choose to have the committee member stay on the committee until the end of the current committee year. If the committee member becomes employed by any organization that is not a member of WNYLRC, the Committee member must resign at the end of the current committee year. Committee Chairs work with the committee liaisons to temporarily fill committee vacancies until the next appropriate committee recruitment window is open. Temporary appointments may complete the term vacated by his/her predecessor and then are obligated to complete the committee recruitment requirements if he/she wishes to stay on the committee for two official terms.

## **Section 2**

Every committee can have up to sixteen (16) committee members. In the case of a committee that has received more requests for members than the committee requires, preference will always be given to those members who do not serve on other committees, who are from an institution not represented on the committee, and/or who fulfill the required geographical and professional representation.

Every attempt will be made to ensure broad representation of WNYLRC constituencies on every standing committee including at least one member from each constituent group up to sixteen (16) representatives and include those appointed by the WNYLRC Board of Trustees Executive Committee

- Private academic library (1)
- Public academic library (1)
- Public library (1)
- School library P-12 (1)
- Special library - hospital, corporate, cultural (1)
- Member-at-large representatives (minimum 7)

and those appointed by the standing committee:

- Representative from the Patron Membership level (organizational, personal, or student) (1)
- Liaisons appointed by committee (maximum 2)
- Member Emeritus (1) (see Article II, Section 4)

If representation from a specific constituency cannot be achieved, a member-at-large will be substituted. The official member-at-large participants are selected with care given to balance by library type, organization, and geographic area.

Each committee may also appoint liaisons to other WNYLRC committees as appropriate and will be identified by the name of the committee. Liaisons from other committees have voting status. Additional liaisons may be appointed and may include a representative from UB's LIS program or other WNYLRC task group but will not have voting status.

Additionally, a WNYLRC staff committee liaison without voting status will be appointed to each committee by the WNYLRC Executive director but is not included in the count of 15.

Each new committee member will receive an invitation to the *New Committee member Orientation* held each spring which will provide the opportunity for a meeting with the chair(s) of the committee and/or WNYLRC staff committee liaison. Each new committee member will receive a packet of information which may include information about WNYLRC and the committee. Additionally, each new (as well as existing) committee member will be added to the committee listserv and the regional listserv WNYLIB-L to facilitate communication avenues.

## **Article II      Terms of Service**

- Section 1      Standing committee appointments shall be made for a period of three (3) years with a limit of two (2) consecutive full terms. Terms of each committee member are staggered so that a portion of the members on the committee expire each year. Each year, the terms will expire for approximately one-third of the members. A committee member who has served two (2) consecutive terms and wishes to be reappointed to the same committee may reapply after having been off the committee for one full year. The committee service year and terms of committee appointments begin on July 1<sup>st</sup> and end on June 30.
- Section 2      Conscientious attendance at committee meetings is expected of all committee members. Two (2) consecutive absences, excused or unexcused, may cause a participant to be dropped from committee membership by a vote from the committee. The committee chair(s) is responsible for contacting the individual to let them know of the committee's decision.
- Section 3      If a committee member is unable to complete the term of service on a committee, a letter of resignation should be sent to the committee chair(s) with a copy sent to the WNYLRC Executive director.
- Section 4      At the discretion of the committee chair(s), a committee member whose term is expiring may be elected to serve as a Member Emeritus for a temporary period after their service term has ended. The Emeritus status must be approved by a vote from the committee and may not exceed six months. The Member Emeritus may attend committee meetings and participate in committee functions but will not have voting status.

## **Article III Governance**

- Section 1 Each committee shall elect a chair from the committee membership. The term of office of a standing committee chair shall be one (1) year. The committee chair can be re-elected for an additional consecutive one-year term. The Committee Chair(s) is responsible for calling all meetings. Each committee must meet a minimum of two (2) times per year,
- Section 2 If a member leaves a committee mid-term, the committee chair(s) in consultation with the committee can recruit a replacement committee member on a temporary basis until the term is completed. Afterwards, the recruited member must officially nominate him/herself to be appointed to the first three-year term.
- Section 3 The WNYLRC Board of Trustees Executive Committee may discontinue a committee, even though some members may have unexpired terms. The Executive Committee may increase the size of a committee by making additional appointments. The importance of assigning terms to maintain the composition of the committee with first, second, third/final year members shall be considered.
- Section 4 With the exception of the WNYLRC Board of Trustees Nominating Committee, the WNYLRC Board of Trustees President and the WNYLRC executive director of the Council shall be a members of all committees and considered *ex officio*.

## **Article IV Committee Meeting Dates, Locations, Minutes**

- Section 1 To maximize effective participation, meeting schedules, whenever possible, should be set for a full year ahead and must include a minimum of two (2) meetings per year. A calendar of all WNYLRC committee meetings is updated regularly and maintained on the [www.wnylrc.org](http://www.wnylrc.org) web site. It is highly encouraged that committee meetings are held throughout the region or planned for a convenient midpoint to minimize travel inconvenience for Committee members.
- Section 2 Agendas, meeting minutes, and supporting documents will be transmitted by email by the committee chair, with assistance from the WNYLRC office, approximately seven (7) days prior to scheduled meetings. It is encouraged that each committee appoint a note-taker or secretary to record minutes for each meeting.
- Section 3 Meeting minutes will be reported in the action step format. (See sample action step format attached to these *Guidelines*.) The committee secretary or note-taker shall send the committee chair(s) a draft of the minutes for review. The committee chair(s) will forward meeting minutes to committee members. One hard copy must be on file at WNYLRC and posted to the standing committee page on [www.wnylrc.org](http://www.wnylrc.org) or committee LibGuide.

## **Article V Committee Support**

- Section 1 WNYLRC supports standing committee requests out of the General Operating Fund (committee workshop funds or other designated funds). Requests are honored for such items as honoraria for presenters at workshops, support for regional conferences, support for committee sponsored field trips, and other expenses deemed appropriate by the WNYLRC standing committee chairs and the WNYLRC Executive director. The amount of committee support will vary from year to

year based on the total monies received for the General Operating Fund. Occasionally, committee requests may also be funded through other WNYLRC grant funding. Generally, WNYLRC provides support through general operating funds which are allocated annually.

Section 2 When available, there may be a pool of additional funding available. The process for WNYLRC standing committees to request funding is on a rolling basis and accepted anytime during the fiscal year from the committee workshop funds is as follows. Funding requests must include the following information:

- Name of Committee Chair(s)
- Name of Committee
- Date submitted for approval
- Purpose of the request
- Timeline of activities
- Intended audience (e.g.: academic, school, public librarians, all WNYLRC members, etc.)
- Benefits for the WNYLRC membership
- Detailed budget

The Committee Chair(s) should submit the request electronically to the WNYLRC Executive director. The WNYLRC Executive director will forward the request to the other committee chairs and put one hard copy on file.

Section 3 The WNYLRC Executive director will follow-up by email with all WNYLRC standing committee chairs shortly after a funding request is made. All attempts will be made to have this meeting coincide with the Fall and Spring Committee Chairs Meeting. If this is not possible, the “Request for Funding” meeting can take place electronically. This group will review and prioritize the proposals and make recommendations for funding to the WNYLRC Executive director for approval.

Section 4 Once approval is made and the activity is completed, the committee chair is required to submit a brief report of the activity outcomes, attendance, and budget summary of expenditures to the WNYLRC Executive director within thirty (30) days of the completion of the event.

Section 5 Standing committees are provided with funds to sponsor events and training sessions that may include a door prize or raffle. Items that are to be raffled off should be self-supporting either through a paid drawing by event attendees or with items donated or paid by the committee members. Committee members are encouraged but not required to remove themselves from the raffle or drawing whenever possible.

Each committee is assigned a WNYLRC staff liaison. When an event is being held that requires attendees to pay a fee, neither the committee liaison nor WNYLRC has to pay for his/her attendance since the liaison’s work is within his/her scope of job duties. If, however, the event also charges for extraneous or additional features, such as tours, the liaison will be required to pay for these add-on features - either personally or, if approved, through WNYLRC. WNYLRC staff who wish to attend a committee-sponsored event, yet do not hold the role of the committee’s liaison, will be required to pay for the event – either personally or, if approved, through WNYLRC.
